**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need competition. It is imperative that all suppliers/providers compete on an even footing regardless of size. We are woefully behind. I had copper wire and it was extremely difficult to do my work at home. Every time I travel to Asia, I see how far behind we really are--the access, the cost, and the lack of competition.

Please do the right thing and enable competition and allow for all the little guys to become large.
